

Auto-Roller 3, B-class

The Roller-3 is a compact over-cab campervan that sleeps up to 6 persons but is really ideal for 4 persons (no change of dinette). This campervan has storage under bunk bed from outside door.

Our motorhomes come with complete equipment like cutlery, outdoor chairs and table etcetera. We offer free transfers Heraklion-Gouves and give an intensive instruction and information about Crete on arrival. And of course, we have our cell phone lines open 24 hours per day!
